Today for the first time, I started 'investigating' Q. I resonate with Love and higher order, not with suspicion and Conspiracy Theory. But, I've noted predictions of the CT's that seem to have come to pass, and am intrigued to know Donald Trump's role.

FROM SIMAN-RA ASCENSION UPDATES

This was a Q post from 2018 that is re-surfacing now. If Q is referring to the recent explosions that we have seen in various parts of the world in the past 48 hours as the "BOOMS", then we may have a short period of BLACKOUT coming!

Q speaks in code, for a reason. No one knows with surety whether the blackout is actually happening, or what the 'BLACKOUT' even refers to.

On a side note, there has been a lot of talk in the White Hat Communities for a while now that the entire internet may have to be shut down for a few days during this transition from DARK TO LIGHT. This is so that the DARK NODES that are in place in the Root internet servers can be disabled before turning the internet back on. These dark nodes have been put in place by the Cabal so that they can spy on the internet traffic from anywhere in the world, thereby giving them access to *ALL* private & confidential data.

Blackout could also mean that TRUMP is going dark so that there are no attempts on his life based on the volatility before Elections. At the whirlpool forum, he stated "you might not be seeing me for a while because I have rich enemies and they don't like what I'm doing."

The system is being cleaned up from the inside-out. No shortcuts will be taken. No loopholes will remain. This IS the Great Awakening <3

It is recommended to stock up on 2-3 weeks of non-perishable food items & essential supplies during times of such chaos and instability. Better to be over-prepared than not prepared at all <3

Love,

EldoRa

GARY'S NOTE:

VIEWS EXPRESSED BY OTHERS ARE NOT NECESSARILY MINE, AND ARE INCLUDED DUE TO INTEREST IN MANY VIEWS.

I've seen versions of answers from both sides of the conspiracy theory fence, yet questions which remain in me include:

1. What is the true extent of the pedophilia ring?

2. If the collapse of the economy is a controlled demolition, by whom and to what end?
3. Are compulsory vaccines part of a long planned event, by whom, and to what end?
4. Are the C.C.I. and universal registrar part of a long planned event, by whom, and to what end?
5. Is there anything behind the proliferation of hoaxes and censorship besides profit motives?
6. What events were predicted, and by whom, before they were evident? -
 - Compulsory vaccines
 - Economic collapse
 - High-end arrests (what can be verified?)
 - Riots
 - Stimulus checks
 - Universal registrar
 - Widespread dis-information

The posts which come up from a Trump keyword search on the Whole Human site make a trail of my thoughts since the 2016 USA Presidential Election. Over what may appear to be a rabbit trail, there is a progression.

It is an adventure of exploration, experimenting with thoughts, making discoveries, having realizations, and gaining a more complete perspective by considering all perspectives.

2. SUMMARY 001

Trump is a product of this materialistic culture we live under. Epistemically western culture is motivated by striving for money, status and recognition, which is focused on results and efficiency but that can have severe consequences because you're always ...

3. Q

Today for the first time, I started 'investigating' Q. I resonate with Love and higher order, not with suspicion and Conspiracy Theory. But, I've noted predictions of the CT's that have come to pass, and am intrigued to know Donald Trump's role....

4. COVID19

Matt Gaetz, Ted Cruz, Mike Pence, Mike Pompeo and Mark Meadows were all supposedly exposed. What better way to explain their upcoming absence in DC than quarantine at their homes? Q already told us when the mass arrests happen, Trump will be safely out of the country.

5. THE PLAN

Even though I've never been a fan of Trump or politics in general, and have strong feelings

against his rape of the environment, I allow myself to believe Trump may come through with taking down the deep state, the cabal (if it exists as such)...

11. CHILDREN

12. ASCENSION

90% of Earth's population. Russia, China, Iran, and Italy are working covertly with the President of the United States, Donald **Trump** (POTUS). They have exaggerated the Virus scare by releasing dis-information into the mainstream media. The purpose was to create PANIC amongst ...

13. CLARITY

Since removing myself from online activity (ah, the bliss of quiet!) I am not as informed, neither as potentially mis-informed. I understand **Trump** wants to stop following recommendations from the W.H.O. or CDC. That would be a move of which I approve. ...I can't say what agreements they've made behind closed doors....

Now, since the idea is to gain a more complete perspective by first considering all perspectives with a neutral and open mind, an opposing view to that of QANON supporters/believers has to be included. If a

truth is to be known, it is essential to keep separating facts from emotions. So far, what I've found on debunking sites is a tone which feels more emotionally charged, and less aligned with my core values, than on sites which favor the Q view.

That doesn't mean I am buying in to Q, just keeping an open mind to it. Some Q followers have a tone which sounds to me similar to religious fanatics. Is Q an attempt to keep Donald Trump in power? Or is it actually disclosure?

What I'd like to see now is a factual presentation of predictions from the Q movement which can be independently verified to have been fulfilled. Are hundreds of celebrities and high-ranking politicians and executives actually being arrested and indicted for their participation in a global satanic pedophilia ring -- or is that an unsubstantiated claim of fanatical conspiracy theorists? And so on....

Then there are the questions, 'what do I really need to know?' and 'how does knowing keep anyone safe or improve our lives?'

FOLLOW "Q"

(From [THE QANON HUB](#))

The good people of America, Left and Right, Democrat and Republican, White or of color, young and old, are witnessing the take-back of America from a large number of very powerful criminals who have been destroying society and the world for several decades, maybe longer. This is the greatest story of our time.

You have the choice of either scratching your head in confusion when seeing events unfold, or looking at the information provided by Q to understand the real story. These are people I trust to bring you the right information.

There are many others you can find too. Don't be a sheep. They want you divided. They have been working to divide us forever. It's time to wake up and experience true freedom instead of the fake kind we have been living under.

The good guys, with control over the NSA, began the Q intelligence dissemination program to invoke an online grassroots movement that came to be called "The Great Awakening". It started on underground internet channels, then moved to the mainstream.

Q has been a fun distraction for those who follow world events and desire truth, but it is about to begin a much more important and necessary phase - keeping the public informed when the Deep State war breaks out onto the surface. By this, I mean high-profile arrests.

Yes folks. The criminals I am referring to are famous politicians, actors, singers, CEOs and celebrities. People who have earned our trust, respect and admiration. They have done very bad things that are all fully known and documented, and they will be severely punished.

Those of us who have followed Q since the beginning will be here to help you make sense of the coming

events. We are among the first to realize that our petty partisan divisions are just trivial distractions, and we are all enslaved by a hidden enemy.

We realize that the problem was never Capitalism or Socialism, Democrat or Republican, black or white, Muslim or Christian. We know it was just very powerful criminals who had too much power and were crushing us under debt and asinine entertainment.

It's time to buckle your seatbelt, recognize your true enemy, and embrace a new future that we all owe to the brave patriots who risked their lives to achieve this victory against the greatest force of evil the world has ever seen.
