

## **IVER SOURCES**

### **Local feed store**

Ask for ivermectin horse dewormer paste

((Be sure ivermectin is the only ingredient, NOT praziquantel)

### **Tractor supply**

<https://www.smartpakequine.com/search/search?searchTerm=ivermectin>

### **Email my friend Diego for Wellness Pack**

(HCQ, z-pack, zinc)

He will have iver in stock soon

dseliman@me.com

### **Order directly from India...**

You will want to purchase the 12 mg tablets. If those are sold out you will have to do the math LOL. Follow the prompts when ordering skip the section that says doctor's name and prescription. And then follow the information for payment.

### **TELEMEDICINE APPT w/ a US Dr.**

(I haven't used this but a friend has)

"I purchased Ivermectin today from

Online Pharmacy. The doctor communicates with you through text, super easy. His service is around \$67. He sends the script to your pharmacy of choice. I got 30 days with 2 refills. Insurance pays, my cost was \$25."
